Undergraduate Academic Appeals Panel - 9

2021/2022

Responsible VP or Department Head: Donna Lang

Committee Charge:

The Galveston Undergraduate Academic Appeals Panel hears appeals involving suspensions or blocks for scholastic deficiency and disputes over a final course grade, except for a grade assigned by an instructor of a class partially or entirely on the basis of scholastic dishonesty. Appeals will be heard when the student alleges that an arbitrary, capricious, or prejudiced evaluation has occurred. Appeals regarding college requirements will not be heard. Questions and appeals involving scholastic dishonesty or violations of the TAMUG Honor Code will be directed to the Honor Council. For full information regarding scope and authority including protected classes, refer to TAMUG Student Rules, Part III: Student Grievance Procedures and specifically Rule 57 Undergraduate Academic Appeals Panel.

The determination whether to convene the TAMU or TAMUG UAAP will follow the faculty member that teaches the course or the reporting structure of the decision in question. For example, ENGL104 would route through the Galveston process. ENGR 111 taught in Galveston by the College of Engineering would route through TAMU. The same logic would apply for a student appealing a suspension decision. A student appealing a decision made by a Galveston academic department would route through the Galveston process. A student appealing a decision made by the College of Engineering (even if located in Galveston) would follow the TAMU process.

Membership Selection Process: By delegation from the Dept. Head to the GV AOC Dean

Meeting Times: As scheduled by the chair

The UAAP will consist of all Galveston Academic Department Heads, six (6) faculty members, and four (4) undergraduate students in order to convene a panel as needed consisting of three (3) faculty members and two (2) undergraduate students. The chair will be one of the Academic Department Heads not in direct oversight of either the student or the faculty member in the appeal process.

The 2021/22 TAMUG UAAP:

Academic Department Heads	Faculty	Undergraduate Students
Dr. Joan Mileski	Lowell Boudreaux	1. Vacant
Dr. Alok Verma	Meri Davlasheridze	2. Vacant
Dr. Daniel Roelke	Ryan Vechan	3. Vacant
Dr. Augusta Roth	Darren Domskey	4. Vacant
Dr. JoAnn DiGeorgio-Lutz	Gerard Coleman	
Dr. Kyeong Park	David Hala	
Dr. Melanie Moser		

All members will be provided access to the UAAP training module in train-track and a secure Google drive with all panel materials. Panel members are recommended to take the training module upon appointment but are required to do so before reviewing an active case.

Undergraduate Academic Appeals Panel – 9 (Cont'd 2 of 2)

If the student does not resolve the conflict by informal processes as defined in the Student Rules, TAMUG Student Rules, Part III: Student Grievance Procedures, Rule 57 Undergraduate Academic Appeals Panel contains a link to the form to Request a Hearing. The submission goes to the TAMU Ombudsperson. The TAMU Ombudsperson coordinates with the TAMUG AOC Dean to implement the appeal process and convene the panel.

All materials will be maintained in the AOC Dean's Office, and all participants will review materials in that office. At the conclusion, materials will be kept in a secure Google drive maintained by the AOC Dean as specified by records retention policy.

Administrative Hearing Officers for Student Conduct Proceedings - 11 2020/2021

Responsible VP or Department Head: Todd Sutherland

Committee Charge:

College students are faced with a myriad of challenges and daily decisions that impact their lives. Sometimes these challenges and decisions are in conflict with the standards set forth by the University for acceptable behavior within the community. It is through the student conduct process that we are given the opportunity to review particular fact patterns that may have led to behavioral choices, challenges, support structures, and ultimately hold individuals accountable for their actions and educate students so they may better decisions in the future. Members are trained and serve in this role because of their critical thinking skills, sound judgment, and ability to compassionately balance the intent of the individual against the needs of the overall community. Conduct conference panel members are tasked with the challenge of weighing information presented by the university and the student to determine if community standards were violated. In addition, if the student is found responsible, members are asked to appropriately sanction students for their actions.

It is the Mission of the Galveston Aggie Honor System Office to serve as a centralized system established to respond fairly to academic violations of the Aggie Code of Honor. Members of the honor council may serve as case investigators, panel members and appeal panel members involving students alleged to have violated the honor system rules. Case investigators, upon investigating an alleged infraction, advise the Assistant Vice President of Student Affairs and Auxiliary Services (or his/her designee) on whether enough evidence exists to support a charge against the involved student of violating honor system rules and, subsequently, an honor council hearing. Panel members are convened in an administrative hearing to hear testimony, decide whether the involved are not responsible or responsible for the alleged infraction and, if found responsible, to determine appropriate sanctions. Appeal panel members are convened to hear an appeal from a student found responsible for violating the honor system rules, if an appeal is filed.
