

Sea Camp

July 10-16, 2022

Photojournalism

For ages 13-18 \$1015

Learn photojournalism from a Galveston freelance photographer.

Using your own **digital camera**, learn how to shoot photographs around Galveston for news media and magazines. Submit your best digital image files to *Coast Monthly*, *Galveston Monthly* and *the East End Historical District Newsletter* for possible publication.

Learn how to quickly and efficiently edit you own digital images.

Shoot images aboard the USS Cavalla Submarine/USS Stewart Destroyer Escort for the Galveston Naval Museum.

Discuss images of the aftermath of Hurricane Ike for news content and interest.

Photograph **adoptable kittens** and **puppies** at the Galveston Island Humane Society.

Photograph vegetables, flowers, goats, chickens and co-founders of **Seeding Galveston Community Garden**.

Photograph children, elderly and the band at the **Galveston Summer Band Concert**.

Photograph children with intellectual and/or physical challenges at the **Christina Sullivan Foundation**.

Have fun swimming in the **Texas A&M pool**.

Examine cover photographs in quality magazines at the **Rosenberg Library** or **Texas A&M Library**.

Using one of your photographs, design, print, write, address, stamp and mail a greeting card to your parents.

Set levels and saturation on your digital images using **Adobe Photoshop** in the Texas A&M computer lab.

Produce your own photographic mini portfolio.

Finish the week with an **art exhibit and sale** of your best photographs at the auditorium in CLB 100 on Friday from 6-8pm. **Parents and relatives are invited to attend. There will be a brief awards ceremony at about 7:55pm.**

Instructor: Robert Mihovil, Freelance Photographer

Limit: 13 students

Requirements: **Interest in photography, photo-journalism and magazine photography. Knowledge to operate your own digital camera, download your images from your camera to a computer, send photographs by e-mail using your own e-mail account and transfer images from your computer onto a flash drive.**

Equipment needed: Your own digital camera with zoom lens. If you don't already have a digital camera, here is a camera to consider: **Nikon D3500 DSLR 24.2 MB** with a Nikon18-55mm VR lens

Supplies needed: **Please bring your USB cable to download your best images from your camera to the computer**

(1) card reader

(3) rechargeable camera batteries and your battery charger as we shoot thousands of images

(2) new memory cards 32 GIG's each

1 new flash drive approximately 32 GIG's to transfer and save your best images each day

Bring your digital camera instruction manual

Small camera bag

Tripod

3 zip lock plastic bags to keep out moisture, dust and sand from your camera and lens

1 small spray bottle about \$1.47 at Target to put water droplets on flowers

1 #2 pencil, 1 12 inch ruler, 1 roll Scotch **permanent** double stick tape, 1 \$.55 stamp

Bring \$6 to purchase 6 sheets of white acid free matte board

Water bottle, face mask, mosquito repellent, hand sanitizer and sunscreen

Additional clothing to bring: Modest swimsuit, jeans, shorts, comfortable shoes

Note to Parents: Please don't worry if you are unable to locate any of the needed supplies. **Except for camera batteries**, the campers can purchase the items at Target, Wal-Mart or Office Depot in Galveston. **For questions, please contact me directly on my cell phone at (409) 771-5668.** Thank you.
