

Student Affairs Notables

November 2023

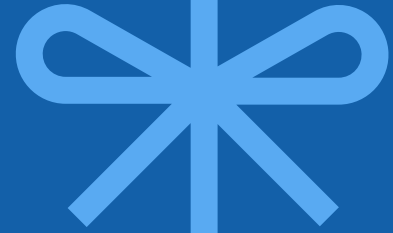

CORP Of Cadets

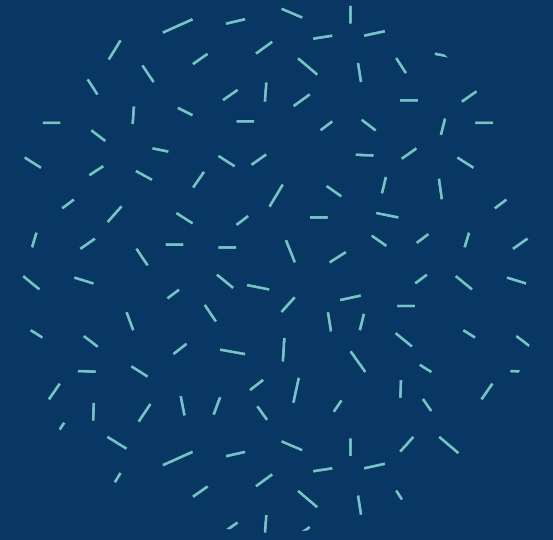

Notables for the Corps of Cadets, November 2023

- The Corps had a strong turn out to assist in volunteering for the Beach Robotics conference held here on Campus on the weekend of November 11-12, 2023 – over 40 cadets participated in the event.
- The Corps traveled up to College Station for the ACU Football game march in. All 10 companies participated in the March in and over half of the TAMUG Companies scored better than the College Station Corps of Cadets average score.

Campus Living & Learning

LeGo and Have Fun! 11/06/2023

- Journey Learning Outcomes:
- 2.2 Adapt to change
- 1.1 Articulate who they are
- 2.1 Seek out new learning opportunities with curiosity
- Purpose/Information: This is a box program that will allow for residents to LeGo and have fun while practicing self care through games and legos amongst other activities as well as an opportunity for the CL's to practice selfless service by handing out cards to the seniors at Libbie's place .

Assessment/Outcome:

- Housing Demographic Question
- 36% of the respondents live in Atlantic Hall
- 24% of the respondents live in Albatross Hall
- 16% of the respondents live in Pacific Hall
- 24% of the the respondents live in Polaris (8%), Oceans (8%), and TAMMA Hall (8%)

RHA, Staff Council, and CLs Mid October to Mid November

The purpose of our Food Drive Competition Program is to harness the collective spirit of generosity and community engagement among our participants while addressing the critical issue of hunger in our local community. This program aims to instill a sense of social responsibility, teamwork, and empathy by challenging individuals and groups to actively contribute to our food drive efforts. By fostering healthy competition and camaraderie, we strive to not only amass a significant quantity of food donations but also raise awareness about food insecurity and create a positive impact on the lives of those in need. Through this initiative, we aspire to strengthen the bonds within our community, inspire a culture of giving, and make a meaningful difference in the lives of those facing hunger challenges.

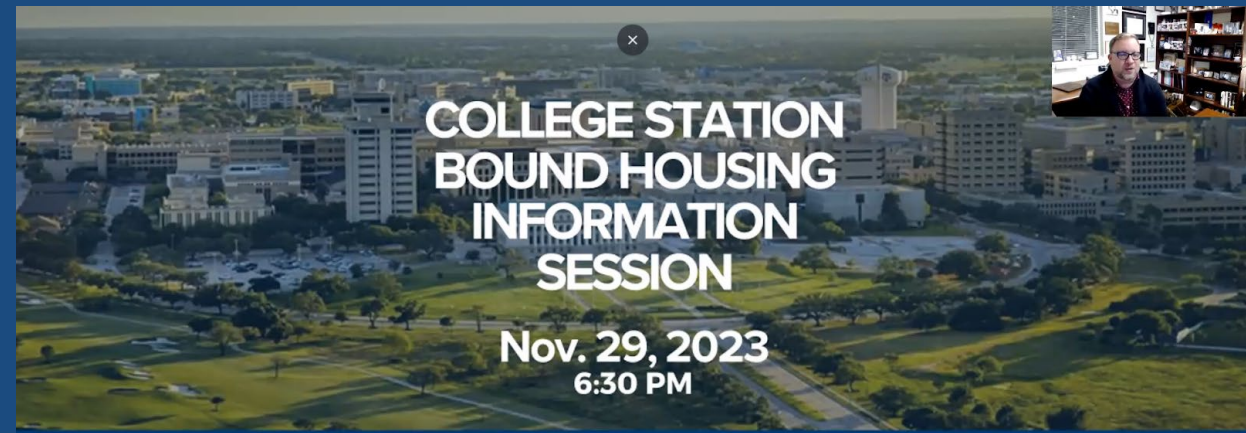

The remarkable effort to raise 1,000 cans for the food drive not only significantly contributed to supporting our local community in need but also allowed us to replenish our campus food pantry, ensuring that students have continued access to essential resources and fostering a spirit of generosity and solidarity among our campus community.

College Station-Bound Housing Information Session

Date: November 29th

- Journey Learning Outcomes: 2.2. Adapt to Change
 - Cover move-out instructions for Galveston Campus
 - Assessment of the on-campus housing situation in College Station
 - Present resources for finding housing in College Station, featuring AggieSearch
- Purpose/Information:
 - On-campus housing is not a viable option for college station bound TAMUG students, especially ETAM/TAPS. This session was organized by the Director of CL&L in coordination with the assistant directors of housing and off-campus housing resources, respectively, in College Station. Significant investments in off-campus housing resources/location have been made by main campus, but few people knew of it. This was meant to address that.
- Assessment/Outcome: 40+ individuals attended the session held at 6:30pm on Wednesday, November 29th. The presentation is currently hosted on the CL&L website.

Southwest Affiliate of College and University Residence Halls (SWACURH) Regional Leadership Conference

Date: 11.17-11.18

- Assessment/Outcome: The Residence Hall Association attended RLC and connected with peers and other student leaders from Texas, Arkansas, Mexico, Louisiana, and Oklahoma. There were positional boardrooms for National Communications Coordinators and Presidents, as well as educational sessions for other attendees. TAMUG received the best delegation award, best banner award, most spirited award, the golden duck award awarded to President Layla Roberts and the Silver Feather Pin awarded to Advisor Marishika Wright. Both the golden duck award and the silver feather pin awards are given at the discretion of the Regional Board of Directors.

TAMMAH Rocks

Date: November 21, 2023

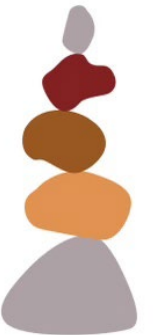

- Journey Learning Outcomes: 3.1 Articulate their own cultures and impact
- Purpose/Information: Students will be able to articulate and/or learn about the culture of rocks, and create their own rock painting. To experience and learn about different rocks and the history behind them. Opportunity to paint their own rock to place where they choose.
- Assessment/Outcome: Since this program was hosted right before Thanksgiving break, we just had an open conversation about if the attendees knew that rocks were one of the first forms of communication. There were 6 attendees in total and many did not know that rocks were used to pass on stories and to communicate with each other. There is a photo attached of the rocks that were painted.

SIGNIFICANCE OF ONE OF THE EARLIEST FORMS
OF COMMUNICATION!

Career &
Counseling
Services

- In November, Career Services hosted a successful information session with Marathon, hosted by former student Masters of Maritime Administration student Mark Sawyer '22 .

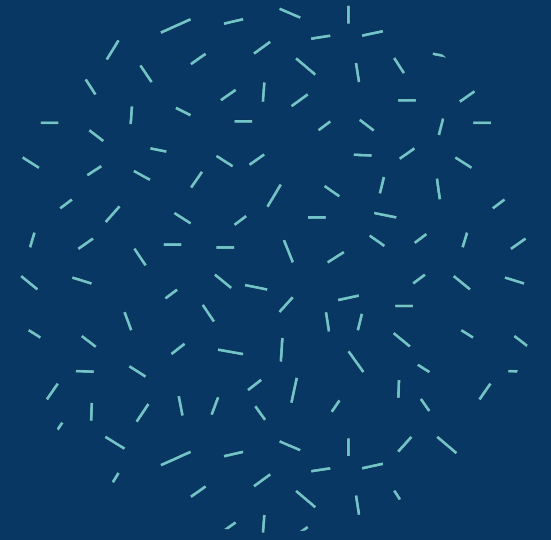

- Director of Career & Ability Services Ken Bailey attended the Haugen Consulting Christmas/employee recognition dinner. Haugen Consulting is a small maritime consulting firm which employs a high percentage of TAMUG graduates.

- In December, the Career Services team attended the Work Boat Show in New Orleans, LA and chaperoned 6 highly motivated students. It was also a fantastic opportunity to connect with many of our successful former students at the TAMUG sponsored former student gathering.

- Last but not least, the Counseling, Career & Ability Services staff gathered for a celebration of the end of the fall semester, with current and former staff and student staff members.

Student Activities

Casino Night

- On November 8th, nearly 100 students attended GFLO's annual Casino Night in the Waterfront Pavilion. GFLO set up table games like BlackJack, Poker, Roulette, and partnered with numerous faculty and staff who participated as dealers. GFLO also collected door prizes from various businesses in the Galveston as giveaways for students who attended.
-
