## CELEBRATING THE COLLEGE OF MARINE SCIENCES & MARITIME STUDIES

Come join our festivities as we officially launch the new College of Marine Sciences & Maritime Studies.

The College of Marine Sciences and Maritime Studies is the new academic home for Foundational Sciences, Liberal Studies, Marine Biology, Marine Engineering Technology, Marine & Coastal Environmental Science, Maritime Business Administration and Maritime Transportation. The College was created to distinguish all of TAMU as the national leader in coastal, marine and maritime discovery, innovation, education and service as a nationally-renowned brand with unparalleled visibility.

This is an event you won't want to miss!
